Appeal of California Service Center Decision

Form I-129, Petition for L-1A Manager or Executive

The Petitioner, a manufacturer of aircraft components, seeks to temporarily employ the Beneficiary as a "Global Manager of Industrialization & Integration" in the United States under the L-1A nonimmigrant classification for intracompany transferees. *See* Immigration and Nationality Act section 101(a)(15)(L), 8 U.S.C. § 1101(a)(15)(L).

The Director of the California Service Center denied the petition, concluding that the record did not establish that the Beneficiary would be employed in a managerial or executive capacity. The matter is now before us on appeal.

U.S. Citizenship and Immigration Services (USCIS) records indicate that a Form I-140, Immigrant Petition for an Alien Worker, filed on behalf of the Beneficiary, was filed and approved before the instant appeal. USCIS records further show that a Form I-485, Application to Register Permanent Residence or Adjust Status was approved subsequent to the filing of this appeal and that the Beneficiary was issued a Permanent Resident Card on August 13, 2019. As the Beneficiary is presently a permanent resident, further pursuit of this matter is moot.

**ORDER:** The appeal is dismissed.
