Non-Precedent Decision of the Administrative Appeals Office

Appeal of Nebraska Service Center Decision

Form I-140, Immigrant Petition for Professional

The Petitioner[1] seeks to employ the Beneficiary as a software architect (engineer). It requests classification of the Beneficiary as a professional under the third preference immigrant classification. Immigration and Nationality Act (the Act), section 203(b)(3)(A)(ii), 8 U.S.C. § 1153(b)(3)(A)(ii). This employment-based immigrant classification allows a U.S. employer to sponsor a professional with a baccalaureate degree for lawful permanent resident status. The Director of the Nebraska Service Center denied the petition, concluding that the Petitioner did not establish that the Beneficiary was qualified for the offered job.

U.S. Citizenship and Immigration Services records indicate that the Beneficiary became a naturalized U.S. citizen on April 17, 2019. Because the Beneficiary is a U.S. citizen, further pursuit of the matter at hand is moot.

ORDER: The appeal is dismissed.
