U.S. Citizenship and Immigration Services

Non-Precedent Decision of the Administrative Appeals Office

MATTER OF G-C-C- LTD.

DATE: NOV. 22, 2017

MOTION ON ADMINISTRATIVE APPEALS OFFICE DECISION

PETITION: FORM I-129, PETITION FOR A NONIMMIGRANT WORKER

The Petitioner, an operator of a spa, seeks to continue the Beneficiary's temporary employment as its president and general manager under the L-1A nonimmigrant classification for intracompany transferees. *See* Immigration and Nationality Act section 101(a)(15)(L), 8 U.S.C. § 1101(a)(15)(L). The L-1A classification allows a corporation or other legal entity (including its affiliate or subsidiary) to transfer a qualifying foreign employee to the United States to work temporarily in a managerial or executive capacity.

The Director of the California Service Center denied the petition. We dismissed the subsequent appeal and denied a motion to reconsider. The matter is now before us on a second motion to reconsider. Upon review, we will deny the motion.

U.S. Citizenship and Immigration Services (USCIS) must deny a motion that does not satisfy applicable requirements. 8 C.F.R. § 103.5(a)(4). A motion to reconsider must state the reasons for reconsideration and be supported by any pertinent decisions to establish that the decision was based on an incorrect application of law or USCIS policy. 8 C.F.R. § 103.5(a)(3).

The motion submission contains the following documents: a Form I-290B, Notice of Appeal or Motion; a Form G-28, Notice of Entry of Appearance as Attorney or Accredited Representative; and a copy of our prior motion denial notice dated September 7, 2017. Those documents do not contain a sufficient statement of a reason for reconsideration supported by any pertinent decisions to establish that the decision was based on an incorrect application of law or USCIS policy. Therefore, we must deny the motion because it does not satisfy applicable requirements for a motion to reconsider. 8 C.F.R. § 103.5(a)(3)-(4).

ORDER: The motion to reconsider is denied.
